"I just wanted to let you know . . . I purchased beads there a couple of weeks ago to make my son his First Communion rosary through our church. We made our rosaries this week and I was stunned at not only my accomplishment, but how truly beautiful it turned out! Thank you so much for your help in picking out the right parts . . . My son probably won't realize how unique and special this is until later in life, but I do. And it was a WONDERFUL experience! Thank you, thank you, thank you!" A.B.

Classes

For Small Groups

- You can schedule **private classes at Bead In Hand** where an experienced instructor helps parents select their materials and shows them how to string and finish the rosary for a professional and secure finish.

For Teachers

- If your church would like to **host its own event for parents**, you can schedule a class for your staff or volunteers where they will learn the techniques for stringing and finishing rosaries, and get advice for teaching others in a group setting.

Classes are 2 ½ hours, \$45 per person, and materials are extra. Four students maximum per class.

Scheduling

- Visit our website at www.beadinhand.com/classes/rosary-workshop, to see dates for currently scheduled classes. Or,
- Call us at **708-848-1761** to schedule a class for your group. Or
- Send an email to query@beadinhand.com.

Additional Tips

- We recommend students purchase materials in advance of the class if possible. This makes it easier for parents who want to take their time selecting materials and making decisions without feeling rushed.
- See our tips for hosting your own event for parents, and feel free to print and share our "How to" sheet for rosary making.
